The Order

15th AUGUST COMMITTEE

27. 191 NEW BEDFORD ROAD, TREE PRESERVATION ORDER 1990 (File Ref. E/107/112)

At the Planning Committee meeting held on 1st November 1989, authority was given for making a Tree Preservation Order in respect of a group of conifer trees in the rear garden of the above property.

An objection to the making of the Order has been received and details of the objection will be given at the meeting.

The trees concerned were seen by Visits Committee at the meeting on 1st November and were found to be of amenity value justifying preservation.

Recommendation:

That the order is confirmed.
