1 INTRODUCTION

What is the purpose of this consultation?

- 1.1 Luton Borough Council is preparing a new Local Plan and periodically issues a 'Call for sites' (see <http://www.luton.gov.uk/newlocalplan> web page for information (including on the wider Scoping Consultation we are undertaking), inviting landowners, developers and community groups to promote available land and property which can be used for the future development needs of the town. While there are specific call for sites consultation events to coincide with plan making stages, the 'call for sites' is open at any time. The current call for sites is open from **28 May closing 23 July at 5pm**.
- 1.2 In particular, we are interested in land and property opportunities that could help to meet the following needs:-
- Market Housing for rent or ownership;
 - Affordable Housing including social rent, intermediate affordable rent and shared ownership;
 - Specialist housing for vulnerable groups including; older people; people with disability including M4(2) and M4(3) housing; the young including looked after children;
 - Student accommodation;
 - Custom And Self-Build Housing;
 - Co-housing and Cooperative housing;
 - Gypsy and Traveller and Traveller Showpeople (G&T) pitches and plots
 - Employment land including local Commercial, Service, Industrial and Distribution needs;
 - Opportunities to secure [Invest 2035 the uks modern industrial strategy](#) e.g.:-
 - Advanced, 'Clean' and Life Sciences manufacturing, R&D/knowledge based;
 - Data Centres; AI and Digital and technology businesses;
 - Employment led mixed use development
 - Clean energy industries; creative industries; defense industries;
 - Financial services and professional and business services.
 - Tourism, Culture and Leisure;
 - Biodiversity Net Gain (BNG);
 - Nature Recovery (Local Nature Recovery Strategy);
 - Renewable Energy (solar, wind, biomass, combined heat and other innovative solutions e.g. geothermal, pumped water and gravity storage)
 - Green and Blue Infrastructure (e.g. greenspace and water bodies);
 - Brownfield Land (to be included on the Brownfield Land Register (BLR)).
- 1.3 Please fill in the proforma below as best as you can. It can be used for new sites and/or to update existing sites you may have already submitted for inclusion in the council's land supply, (e.g. Strategic Housing Land Availability Assessment (SHLAA) or Housing & Employment Land availability Assessment (HELAA)).

What is the Luton Call for Sites Proforma?

- 1.4 The Call for sites Proforma is a survey form with a structured series of questions about site ownership, existing and proposed uses, suitability, deliverability (including timescales) and constraints which will allow us to assess any sites potential to be put forward for meeting Luton's future development needs through the new Local Plan.

How can I comment on the Luton Call for Sites Proforma?

- 1.5 It is important that you read the separate **Guidance Notes** (found together with this proforma on the <http://www.luton.gov.uk/newlocalplan> web page) before completing your site proforma. You must also review and agree to the **Privacy Notice** (see sections 11 and 12 at the end of this proforma), by ensuring that it is ticked in the **Your Contact Details And Privacy Notice Declaration** * in section 3 further below, to be included with your proforma return.
- 1.6 You can also choose to be kept updated as work on the new Local Plan for Luton progresses.
- *Note:** we can only process your site proforma and legally hold your contact details with name, address if you have agreed to the mandatory question regarding the Privacy Notice.
- 1.7 Our preference is for submissions to be made using our online Keystone consultation portal survey: <https://consult.luton.gov.uk/kse/> to improve the accuracy and speed of assessment.
- 1.8 However, if this is not live, or you cannot use the Keystone portal, you can download and provide a completed scanned proforma which should be emailed to localplan@luton.gov.uk.
- 1.9 You can also post it in or drop the form off at the Council Offices at the town hall marked for the attention of the Planning Policy Team, 2nd Floor, Luton Town Hall George Street Luton LU1 2BQ.
- 1.10 You can also email us at localplan@luton.gov.uk or call 07845034931 and we can email or post response forms to you.
- 1.11 **A separate form should be completed for each site.**
- 1.12 **Completed forms must be submitted to the Council together with an Ordnance Survey map identifying the site boundaries in red (and if available, any land ownership edged in blue) at an appropriate scale (e.g. 1:2,500).**
- 1.13 Any further detailed information you may wish to supply via email relating to the site and/or potential development proposals would aid the Council in its analysis of your site.

How we will use your information

- 1.14 Your information will be processed and handled in accordance with the council's:-

- Corporate Privacy Notice
- Planning Services Privacy Notice

- 1.5 Except for personal information* and any questions ticked as confidential by you on the survey form, all site information submitted via the online portal or otherwise, after processing may be published in preparing our land availability evidence (e.g. SHLAA or HELAA).
- 1.6 Information provided, including the names/organisations of those making submissions, will also be made publicly available. Submissions cannot be made and will not be accepted anonymously. *Personal information such as addresses, phone numbers and email addresses will not be made publicly available in accordance with the Privacy Notice (see at the end of this Response form). **You are expected to review and agree to the Privacy Notice in order to submit a response.**

12. PLANNING SERVICE PRIVACY NOTICE

- 4.1 We're committed to protecting your privacy when you use our services. We have a data protection officer who makes sure we respect your rights and follow the law.
- 4.2 If you have any concerns or questions about how we look after your personal information, please contact us at dataprotection@luton.gov.uk.
- 4.3 As the planning department for Luton Council, we deal with:
 - planning policy

- planning applications (including minerals and waste, listed buildings, trees and high hedges)
- planning enforcement and appeals

Personal data

4.4 Personal data we will hold, include:-

- name
- address
- email address
- telephone number
- land ownership/ interest details
- signatures
- special category data (such as health conditions, disabilities, bank statements, tenancy agreements etc.)

4.5 We receive application information either directly from the application or via a planning agent on their behalf. Information is provided to us via:

- the Planning Portal
- email
- paper copy
- online form
- direct secure access to our document management system
- consultation portal

4.6 We also receive comments, representations, allegations, requests and questions via our online planning register planning consultation portal, email, letter and online forms and payments via the planning portal online payment portal, our own online payment portal, via BACS and cheques. The planning service will also be using a drone to improve our information gathering in the Borough to aid our Planning Enforcement investigations, our assessment of planning applications, our monitoring of developments, existing uses and the survey of sites for the potential for site designation for planning policy purposes.

4.7 The planning department your personal data to:

- make decisions and provide advice on planning applications
- make planning policies
- work with neighbouring authorities on strategic policies
- respond to allegations of unlawful development
- monitor development
- enter legal agreements, serve notices and promote the best use of land

Lawful basis

Personal Data

- 4.8 Article 6 (c) - processing is necessary for the compliance with a legal obligation to which the controller is subject

Special category data

- 4.9 Article 6(e) - processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller.

Supporting information

- 4.10 The Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) requires that public consultation be carried out as part of the decision-making process for planning applications.
- 4.11 [The Town and Country Planning \(Local Planning\) \(England\) Regulations 2026](#) set out the procedure for the adoption of a local plan, which too requires various stages of consultation.
- 4.12 To allow us to make decisions, we must be provided with relevant personal data. In a small number of circumstances individuals will provide us with “special category data” in support of their application (e.g. evidence of medical history). Processing of personal data is necessary to allow us to evaluate the impact of any development or policies in the Local Plan when undertaking its planning functions. For example, the address of a representor’s property may be relevant in this context. We are unable to consider the harm or otherwise from a scheme to the representor’s property or amenities where the representation is anonymised and the location of the property is not disclosed.
- 4.13 We are obliged under the regulations to make some information available on our planning register. This is a permanent record of our planning decisions that form part of the planning history of a site, along with other facts that form part of the “land search”.
- 4.14 Your contact details and comment are recorded on our secure planning system. If you have requested to be entirely anonymised, only your comment will be recorded. If you have submitted an anonymous comment, we will not be able to inform you of any committee and/or appeal details.
- 4.15 Information on Planning Enforcement cases will be reviewed case by case to see what can be disclosed to the public. Any data or information that may be used in future formal litigation will be retained and not disclosed under legal privilege.

- 4.16 Any personal and private information obtained by drone use will only be used internally and not shared publicly or externally unless consented by the individual.
- 4.17 Please see the [Planning Advisory Service's Planning and GDPR Guide](#) for more information.

Who we share your information with:

- other teams and services within Luton Council where law permits, or it is necessary to do so
- the Planning Inspectorate
- planning committees
- external consultees (e.g. fire service, water companies, the police, the environment agency, natural England, historic England, active travel England etc.)

Why we share your information

- 4.18 We are obliged to consult within the council, with external agencies and with residents depending on the nature of your application.
- 4.19 We will make details of planning applications available online so that people can contribute their comments, this will include the applicant/agent's name and address.
- 4.20 We apply redactions to personal contact details e.g. telephone numbers, email addresses and signatures from public view. However, we will continue to hold the unredacted version on our planning system and this can be viewed by planning staff when necessary.
- **Please note:** agent's details are not normally classed as personal data.
- 4.21 We also redact special category data e.g. supporting statements that include information concerning your health and any information deemed confidential e.g. bank statements, tenancy agreements etc.
- 4.22 We will sometimes need to share the information we have with other teams within the council, to receive comments related to the decision-making process.
- 4.23 If you are submitting supporting information which you would like to be treated confidentially or wish to be specifically withheld from the public register, please label this appropriately. You can do this by contacting developmentcontrol@luton.gov.uk.

Planning Enforcement

- 4.24 We will keep completely confidential any details received about a planning enforcement complaint, including the details of the person making the complaint.
- 4.25 Further details regarding this is provided in the Council's adopted [Planning Enforcement Charter](#)
- 4.26 We will update the complainant on process with an enforcement complaint (as per the Planning Enforcement Charter).

Any automated decision making or profiling

None.

Transfer of data to another country

- 4.27 No information within planning is transferred to another country. None of the systems we use are hosted abroad.
- 4.28 The majority of personal information is stored on systems in the UK. But there are some occasions where your information may leave the UK either in order to get to another organisation or if it's stored in a system outside of the EU.
- 4.29 We have additional protections on your information if it leaves the UK ranging from secure ways of transferring data to ensuring we have a robust contract in place with any third party who may transfer it out of the EU.
- 4.30 If we need to send your information to an 'unsafe' location we'll always seek advice from the Information Commissioner first.

Retention ('how long we keep your information for')

- 4.31 The data will be kept in accordance with our retention schedule. We only keep information for as long as it is needed. This will be based on either a legal requirement (where a law says we have to keep information for a specific period of time) or accepted business practice.

Exercising your rights

4.32 You have the right to ask us to amend or delete your data as well transfer or limit its use.

4.33 Each request will be considered individually. Where we are required to keep your data by law, we may be unable to action your request. In all circumstances we will explain our decision making in writing to you.

4.33 Please see our main privacy statement using the green button below if you want more information on how:

- we keep your data safe
- to request a change to the records we hold
- to make a complaint
